Meticulously maintained and move-in ready! This Belle Hall home is being offered for the first time by the original owner. The floor plan flows nicely with a spacious kitchen full of natural light and an abundance of cabinet storage. The living room is anchored by a gas log fireplace and there's a separate dining room for entertaining. The downstairs laundry room is conveniently located adjacent to the powder bath. The upstairs primary bedroom has vaulted ceilings and a really nice walk-in closet with custom shelving. You'll be impressed by how large all the bedrooms are! The screened porch overlooks a charming backyard with a paver patio, outbuilding for extra storage and plenty of beds for plantings.
