Charming and exquisitely updated turn-key cottage only a few minutes from IOP beach! 1382 West Point Drive is 2 bedrooms and 2 baths with just under 1000 square feet of single story living space, attached 1 car garage, fully fenced in backyard with large storage shed, and endless improvements! The oversized driveway with brick pavers allows for ample parking and welcoming of guests to the front porch and new stone front patio. Inside, the open great room with vaulted ceilings and wood burning fireplace provides a cozy and functional space for relaxing and entertaining. Entertaining space continues on the side patio spanning the length of the home with a sizable covered area for outdoor enjoyment no matter the weather. The fully updated kitchen features stunning quartz countertops with counter height seating, a classic subway tile backsplash, refaced cabinets, and stainless steel appliances. The open dining space allows for a table and additional eat-in kitchen seating. Conveniently located off of this space, the attached 1-car garage includes a renovated laundry area with wood countertop and cabinetry for additional storage. Off of the great room is a hallway with two additional closets making way to the guest bedroom and full hall bathroom with bead board trim, a single sink vanity, and newly reglazed tub-shower combo (2026).
