Quintessential brick ranch home in beloved Park Circle! This FULLY FURNISHED & RENOVATED home features 3 bedrooms, 2 bathrooms, high-end finishes and a fully fenced in backyard oasis. Situated on almost a quarter acre in the Cameron Terrace subsection. Immediately notice the iconic live oaks and lush landscaping upon arrival. This single-level floor plan perfectly encompasses the living room, kitchen and dining area. The living room has crown molding, a Charleston mural accent wall and ample space for relaxing. A charming office nook is also located in the living room. The bright & sunny dining area overlooks the backyard and is ideal for sharing family meals. It also showcases an electric fireplace with custom trim. The kitchen features quartz countertops, carrara marble backsplash, stainless steel appliances & range hood, beautiful cabinets, a custom-built pantry and an island with seating for 2. Natural sunlight pours into the home, making it a bright and cheery space to spend time with family & friends. White oak luxury vinyl plank (LVP) flooring is throughout the house for easy maintenance. Retreat to your primary suite with ensuite bathroom at the end of the day. The dreamy ensuite bathroom boasts a walk-in tiled shower with glass panel, a black stone vanity and beautiful brass fixtures. The two additional guest bedrooms are all
