Lovingly maintained, beautiful, brick ranch! Imagine yourself living on a corner lot at the end of a tree lined street where the Spanish moss drapes down like the Southern version of icicles. 3 of 4 bedrooms, including the primary suite, are on the main floor. All bedrooms are sizable. The FROG bedroom has a 1/2bath. A new back deck is ideal for entertaining or relaxing. The expansive living room is open to the eat-in kitchen and sunroom. The sunroom has central air, so could be another bedroom if needed and stays comfortable. There's a formal dining area, hardwood flooring, & gas fireplace. The metal roof has classic charm. 2 car garage. New vapor barrier in the crawlspace. Close to shopping, dining and I-526. This neighborhood has a playground and large health center roundabout gathering space.
