2 Bedrooms | 2.5 Bathrooms | 2,270 Sqft

This stunning 2-bedroom, 2.5-bath home offers both comfort and entertainment with a partially open floor plan and inviting outdoor areas. The Living/Dining room combination features an entertainment bar reminiscent of those seen in the movies, and a balcony that spans the length of the rear living room wall complete with ghost screens to bring the outdoors in. Nearby, the Kitchen/Den combo is complete with a cozy fireplace, creating a relaxing atmosphere any time of day. Located on the sixth-floor end unit, this updated residence provides breathtaking vistas of Charleston, the Charleston Harbor, the Cooper River, and the Ravenel Bridge. The primary bedroom and bathroom, just off the living room, are truly a secluded retreat with a sitting area and scenic water views framed by downtown Charleston. Thoughtfully designed for privacy, the second bedroom sits at the opposite end of the unit, featuring an ensuite bathroom and a private balcony. This second balcony connects the bedroom to the kitchen, perfect for morning coffee or evening snacks. The welcoming entrance, with marble floors, gives the space a homelike ambiance. The Renaissance offers numerous luxury amenities, including onsite management, concierge service, gated garage parking, and secure buildings. Residents enjoy access to a fully-equipped exercise room, a
