The beauty of history encapsulated - welcome to 100 W. Walker Drive. Summerville brick-lined pathways surround this amazing property leading you into a main house filled with charm & character. Hardwood floors invite you in to view the lush landscape through the glass walls within the great room. Details adorn this interior with features dating back to the 1890's or replicas of a time gone before. A large guest bedroom is located downstairs near a full bathroom. Upstairs you'll find the primary bedroom. The MIL suite has its own brick flooring entrance. The front courtyard entices you to relax near the water fountain. The gorgeous, heart-of-pine cottage with its historic iron work has innumerable potential uses! Between the back porch & the fire pit circle, entertaining continues outside. This kitchen boasts quartz countertops, custom cabinetry & a 1890's era butcher block island. The flooring upstairs is reclaimed Virginia barn wood. The primary suite has 2 custom closets! The primary bathroom is adorned with quartz countertops, a wooden center cabinet with live edge, a European soaking tub and a custom tiled shower next to the water closet. There's a 2nd, very large bedroom upstairs with a full bathroom in the hallway. Although only 1.5 miles to downtown Summerville, this estate feels like your personal sanctuary. Camellias, hydrangeas,
