Welcome to this beautiful tree lined neighborhood, Stiles Point Plantation! Tucked away on a quiet cul-de-sac is 698 Whispering Marsh Drive. Bring your vision to life and customize this space into your dream home. The owner has positioned the price accordingly for the new owner to make this house their home! This traditional home, clad in cypress siding, offers an inviting first impression with lush landscaping and a canopy of majestic, mature trees. Warm oak floors guide you into the home, where a formal dining room to your left gives way to a sun-drenched vibrant kitchen. White cabinets and granite countertops anchor this kitchen which features a dedicated pantry and a sun-filled bay window dining nook. There's a powder room, laundry room, and a huge FROG. This versatile flex space is perfect for a home cinema, executive office, bedroom, etc. The expansive family room, with a classic brick fireplace, offers a seamless transition into your outdoor oasis. Step through to a versatile screened porch and open deck - perfect for entertaining, while overlooking the sweeping views of the lush oversized yard. This sprawling almost 5 acre lot has a privacy fence with ample room for a custom pool. The large primary suite is conveniently located on the main level and offers a spacious en-suite. There's an additional guest bedroom on the main level,
