Discover the perfect blend of comfort, style, and functionality in this classic ranch-style home. Situated on a generous .27-acre lot, this property offers the open, versatile living spaces today's Charleston-area buyers desire. Enjoy peace of mind with updated HVAC (2023) and a brand-new roof on both the house and detached garage (2025). Step inside to an inviting living room with a semi-open layout and freshly painted walls, filling the home with natural light and a modern Lowcountry feel. The chef's dream kitchen boasts crisp white cabinetry, a central island, and ample space for entertaining and family gatherings. The home offers 3 spacious bedrooms and 2 full bathrooms, ideal for families or hosting guests. Expand your living space into the light-filled sunroom, featuring durable flooring and a stylish glass-block bar--perfect as a home office, game room, or entertaining space. The exterior is equally impressive with an attached garage, deep carport, and detached garage/workshop, ideal for a man cave, hobby area, or boat storage. Classic Lowcountry outdoor living is featured on the massive wrap-around screened porch, overlooking a lush, level lawn. The fully fenced backyard provides a private oasis for pets, play, or gardening. Located in a highly sought-after area, you're just minutes from Summerville shopping and dining, the
