Welcome to one of the most spacious floorplans! This highly desired and thoughtfully designed three-story home offers room for everyone! This home not only has 6 bedrooms and 4.5 bathrooms but also a bonus flex room, and separate office! As you enter, you are greeted by the private office with elegant French doors--perfect for a home study or quiet retreat. The open-concept kitchen flows seamlessly into the family room, as well as the dining, creating an ideal space for everyday living and entertaining. A beautiful custom wood bench with built in dog crates has been added to the living room...truly a space for everyone including your fur-babies! A private guest suite with a full bath is conveniently located on the main level. Upstairs, the expansive primary suite features grand double-door entry and a luxurious ensuite bath with a 5-foot walk-in shower, bench seating, and ceramic tile surround. Best of all, a homeowners dream, a CUSTOM BUILT walk-in closet. This level also includes three oversized secondary bedrooms, a full bath, and a conveniently located laundry room. The third floor offers incredible flexibility with a large open loft/BONUS, with a sixth bedroom, and an additional full bathroom--perfect for a media room, playroom, or extended guest space. This home is beautifully upgraded with a screened-in back porch, quartz kitchen
