Amenities Rich Park West 4 bedroom home with Primary on the first floor! Durable cement plank siding was painted spring 2025. Home is Located in the quaint section of Marsh Walk. When you arrive you will be welcomed by the large southern front porch and will immediately feel at home! Here you can take a seat, enjoy a beverage and converse with neighbors. Enter to the open foyer where you will find a double coat closet, the half bath and hard to find storage closet under the stairs. To the left is the formal dining. Enjoy intimate meals or space to accommodate larger groups. Continue to the kitchen and eat-in area where many evenings will be spent conversing with the chef while sitting at the bar or kitchen table. Great area for chatting about the day or doing homework. Natural lightstreams into the kitchen from the numerous windows. Screened porch is conveniently located here to extend the entertaining, or for relaxing in a more private location. Pond is located to the left of the yard to view nature at its finest. Family room is at the back of the home and allows room for all to relax together. Owners suite is found off the family room, where you will also find the door to the garage, another large closet, a linen closet and the laundry room which contains another linen closet. Owners suite has plenty of room for king size bed, dressers, night stands.
