3 Bedrooms | 2.5 Bathrooms | 1,999 Sqft

This two-story home offers a functional layout in a convenient location with easy access to major employers including Volvo, Boeing, Bosch, Mercedes-Benz, and Joint Base Charleston--an excellent opportunity for long-term value. Just minutes from downtown Summerville, shopping, dining, and everyday conveniences. The main level features an open foyer, spacious family room, and kitchen with hardwood flooring, granite countertops, and a touch-screen refrigerator that conveys. A revised floor plan expands the primary suite with a larger bedroom and spa-style bath. Upstairs laundry adds convenience, with washer and dryer included. With a recent price improvement reflecting the seller's relocation, this is a compelling opportunity in a growing area for primary living or investment.
