**\$569,000**

**3 Bedrooms | 3.5 Bathrooms | 2,200 Sqft**

This stunning 3-bedroom, 3-bath townhome at The Walk at Park Circle redefines what's possible at this price point--and it's complete and move-in ready. Spanning four levels of flexible living space, this home offers a layout unlike anything else in the area. Enjoy a private sky terrace, versatile loft, and an oversized garage with room for three cars, plus kayaks and bikes--delivering a level of space and functionality rarely found. Filled with natural light, the open walls provide the perfect backdrop for art and elevated living. Entertain above it all on your rooftop while enjoying a walkable lifestyle just steps from dining, parks, and live music. A truly unique opportunity that is hard to find anywhere else at this price point.
