3 Bedrooms | 2.5 Bathrooms | 2,178 Sqft

Tucked away on a quiet cul-de-sac in the desirable Glenlake community, this beautifully updated home offers the ideal combination of thoughtful renovations, functional living space, and an unbeatable Mount Pleasant location. Spanning approximately 2,178 square feet, the home features three bedrooms, two and a half bathrooms, and a highly efficient floor plan designed for both everyday living and entertaining. The main level is anchored by a light-filled, open-concept living area with vaulted ceilings, creating a sense of volume and flow rarely found at this price point. The fully renovated kitchen (2024) is a standout, offering updated cabinetry, quartz countertops, an expanded island with seating, tile backsplash, and a complete Samsung stainless steel appliance package--including built-in wine and beverage refrigerators. A convenient pass-through connects the kitchen to the formal dining room, enhancing both functionality and entertaining appeal. The first-floor primary suite provides comfort and convenience, complete with a walk-in closet, dual vanities, and thoughtful updates. Upstairs, two additional bedrooms, a full bathroom, and a versatile loft/flex space offer flexibility for a home office, media room, or play space. Outdoor living is equally inviting, with a screened porch, pergola-covered patio, and a fully fenced backyard.
