Like new, freshly painted modern home in the quaint Oak Bluff subdivision, just over the Wando bridge from Mount Pleasant. This home is loaded with upgrades. The home features 10 ft ceilings in an open floor plan with European white oak style flooring, shiplap surround fireplace, upgraded master bath with walk-in tiled shower. The kitchen features white shaker cabinets with black pulls, Kohler farmhouse sink, granite countertops, and stainless steel appliances. A shiplap mud room, adjacent to the kitchen, leads to an outside screened porch/entertainment area. Outside, there is an astroturf fenced side yard which requires minimal maintenance.
