4 Bedrooms | 3 Bathrooms | 3,316 Sqft

Set on a .23-acre corner lot in the heart of Old Mt Pleasant, 641 Palmetto Street stands apart in the best way. Built by the current owners in 2023 with non-toxic materials, this 3,300+ SF stucco home reflects a subtle Mediterranean influence, with an elevation that feels both timeless and distinctive. Inside, the home offers four bedrooms plus flex space and separate home office, and three full baths. Upstairs are the primary suite (with luxurious heated bathroom floors, walk-in closet and balcony), and two secondary bedrooms that share a bathroom and "secret" play space behind their closets. A guest bedroom suite (currently used as a music room) is on the main level. The beautifully designed kitchen opens to the great room and features a large island with seating, custom cabinetry, marble countertops and a 48-inch gas range with custom wood hood. Brass fixtures and warm wood accents add character, while abundant natural light enhances the space. An accordion door to the back porch offers seamless indoor-outdoor transitions. A charming elevated nook tucked into the upper level serves as part crow's-nest retreat, part window seat, part child's fort. Another unique feature is the home's side-entry attached garage (with entry to a mud and laundry room), providing respite from inclement weather when necessary, and/or
