Private Haven-Water Access 831 Hammocks Way is a custom-built sanctuary in the gated residential community, The Hammocks on Edisto Island. Nestled among serene marshes, sparkling waterways, and majestic live oaks, this private retreat captures the peaceful essence of the Lowcountry, with the gentle rhythm of the ocean in the distance. A short walk down the street, residents experience convenient access to Scott Creek, which flows to Jeremy Inlet and spills into the Atlantic. Soaring 10-foot ceilings and an open floor plan on both levels fill the interior with natural light. The beautifully designed gourmet kitchen features quartz countertops, a striking copper sink, and custom cabinetry, creating an ideal space for both everyday living and entertaining. The main living space is defined by a dramatic stone wall and a gas fireplace, creating a stunning focal point that combines warmth and elegance. Wood and LVP flooring, thoughtfully designed living spaces, and elegant finishes throughout highlight meticulous craftsmanship and refined design. Upstairs, the primary suite is generously proportioned and features a private ensuite, while two additional bedrooms are equally spacious and share a beautifully appointed full hallway bathroom. Each bedroom offers private access to the second-floor sundeck—perfect for morning coffee, evening
