Step into refined Southern living in this beautifully appointed executive home on a large .42 acre lot, with paid off solar panels. Upon entry, you're greeted by 9 ft ceilings, wide planked hardwood, wanes coating, wide crown molding and transom windows throughout. The upgraded kitchen, complete with a gas stove and large center island, showcases white quartz countertops, sea glass hue backsplash, and a decorative but elegant hood that transforms the kitchen into a luxurious, yet functional space. Sip your morning coffee in the bright kitchenette that opens to your living space, featuring plantation shutters, recessed lighting, a speaker system, and custom built in shelving. Enjoy the convenience of a downstairs bedroom, full bath, a mudroom, and a flex room that can be an office, dining, or a 5th bedroom. Upstairs opens to a large loft, with beautiful bamboo flooring, and ample light. The spacious primary suite is complete with a sitting room and a luxurious bath featuring a soaking tub and a full window that fills the space with natural light. The primary closet is huge with ample room for any wardrobe. Two additional bedrooms complete the upstairs, one with outside access to the 2nd floor balcony. Additional bathrooms are finished with elegant marble countertops. Outdoor living is just as impressive with a large fenced backyard, a fire pit
