Welcome to easy, elegant one level living nestled in the sought after Oakfield community on JI. This beautifully maintained home offers 3 br + private office, perfect for a home office or flex space. Set on a stunning lot with tranquil pond views in both the front and back, the property delivers peaceful, picturesque surroundings with thoughtfully designed landscaping. You can enjoy your morning coffee on one of the porches and watch the heron on the pond. Inside you will find a bright open floorplan with luxury vinyl plank in most living areas. The LR features a cozy FP with custom builtins. Plenty of storage with California Closets in the primary walk-in closet as well as in the garage. The extended garage is perfect for a golf cart or workshop. This is single story living at its best.
