Welcome to 2916 Eddy Drive, where refined Lowcountry living meets effortless design in the sought-after Riverview of Dunes West. This gem is steps away from the community's private deep-water access pier on the Wando River. This elevated Preston floor plan featuring a main-level owner's suite for privacy and ease, along with three spacious guest rooms and a versatile loft or office upstairs blends timeless Charleston-inspired architecture with modern comfort. The main level offers open-concept living with soaring ceilings, expansive windows, and a chef's kitchen anchored by a generous quartz island--perfect for gathering and everyday living. A sunroom and seamless flow to the screened porch extends the living space outdoors, overlooking a fenced yard designed for relaxation. Enjoy scenic trails, playground, and pavilion. Set within a gated community with resort-style amenities, this home offers a lifestyle rooted in comfort, connection, and coastal charm--all in a prime Mount Pleasant location.
