Stunning, lakeview home in the resort style Four Seasons at the Lakes of Cane Bay community! As you approach, you will notice the custom landscaping all around the home. Upon entering, you will find beautiful LVP flooring throughout, except in the bathrooms and utility rooms which have tile flooring. The 10-foot ceilings and 8-foot doors give more of an airy feeling. The large foyer has a recessed ceiling with crown molding. The chair railing and picture molding add elegance to the space. The first bedroom/ensuite is just to the right. It has recessed lighting and a large closet with custom shelving. The full bathroom has a tub/shower combo. The flex room or third bedroom has french doors. As you make your way through, you will find a large open floor plan. The kitchen has quartz countertops. The huge island has a porcelain farm sink and seating area. The 42-inch cabinets have crown molding. This luxury kitchen comes with GE stainless appliances including dual wall ovens, a dishwasher, and a built-in microwave. The gas cooktop has an over-range vent hood that vents outside. The area below the microwave is great for a coffee bar. The dual pantries with custom wood shelving provide plenty of storage. The great room has a tray ceiling and recessed lighting. The dining area has a glass door providing more natural light. You will also find a
