Renovated Gem on a .25 acre lot with your very own Grand Live Oak. Welcome to 1119 Smithfield Place, a beautifully renovated home in the sought-after Belvedere Estates community of Hanahan. Blending modern updates with timeless charm and quality craftsmanship, this home is move-in ready and full of character. Step into this updated open concept home with new kitchen and fall in love with its custom cabinetry, solid-surface countertops, newer high-end stainless-steel appliances. A large living room and dining area combine with the kitchen for a great space to gather. If you want to sneak away, there is super cool bonus room over the garage that's completely finished. Make it an office or a hang out, whichever you need! This beautiful split-level home has 5 five bedrooms and 3 baths! Use the bottom level as your Primary suite or a mother-in-law suite as it offers 2 bedrooms, a bath and a full kitchen! Make it the teen area or rent it out. Upstairs has 3 more bedrooms and 2 baths. There are so many options with this house!! Bonus: It's right behind the Hanahan High ballfields. No one will ever live behind you! Of course, walking distance to Hanahan High School and the middle school which should be brand new as of next year!
