Welcome Home to this tastefully upgraded home situated on a generous 0.92 acres. As you enter, you'll be greeted by a spacious floor plan with two living areas, featuring a great flow for entertaining and everyday living. Chefs and home cook alike will adore this kitchen. It boasts an island, tons of counter space, plentiful white cabinetry and tile backsplash. All brand new stainless steel appliances. Large laundry room with access outside. Each of the 2 secondary bedrooms are spacious with plentiful closet spaces. The primary suite is a true retreat, offering room for a King-sized bed, tray ceiling, along with abundant windows that flood the space with natural light. The spa-inspired En-suite features a dual-sink vanity, a large tiled walk-in shower, and a sunken tub. It is separated from the other bedrooms for added privacy. Family room (2nd living space) is nestled near other two bedrooms and guest bath. It features a fireplace allowing you to cozy up on the couch on those cold winter nights. Some of the updates include: Smooth Ceilings, Finished Drywall, Crown molding throughout, New kitchen counter tops, Newly Laid Laminate Wood Flooring, Ceramic Tile floors in Bathrooms, and Much More! Step outside onto your covered porch with extended deck area, overlooking the large backyard. Nature watch while sipping your morning coffee. Plenty of
