Welcome to 7011 Crest Court! A truly exceptional, designer-built residence set on 1.29 acres in the heart of Johns Island, where craftsmanship, character, and curated design come together in a way rarely found. ****Use Seller's Preferred Lender to buy this home and receive an incentive towards your closing costs or rate buydown****Originally designed and built by a home designer for his own personal use in 2019, this one-of-a-kind home showcases intentional architecture and high-end finishes throughout, creating a space that feels both elevated and deeply inviting. Once inside, you're greeted by wide-plank solid wood floors, soaring ceilings, and rich textures that define the home's distinctive style. Thoughtful details such as shiplap walls, a wood-paneled kitchen and bathroom ceiling, and solid wood European exterior doors add warmth and authenticity, while the kitchen is beautifully finished with granite countertops. The spa-inspired bathroom offers granite countertops and a soaking tub, perfect for unwinding at the end of the day. What truly sets this home apart is its reverse floor plan (main living space on the 2nd level) and its curated, conversation-worthy design elements, including architectural pieces sourced from renowned Charleston restaurants - from statement lighting to a custom stair railing and banister - bringing a sense of history
