Welcome to this beautifully upgraded first-floor, single-level end unit overlooking the 5th fairway of the golf course. This sought-after Huger model offers a thoughtfully designed living space with exceptional privacy thanks to added green space along the end unit. This home features 3 bedrooms and 3 full tiled bathrooms, each equipped with safety handrails. Designed for comfort and accessibility, the home includes wheelchair-accessible doorways, a gas fireplace, gas stove, gas heat, and central A/C. Enjoy indoor-outdoor living in the enclosed vinyl screened porch with sliding panels, perfect for year-round enjoyment of the golf course view. Additional enhancements include plantation shutters throughout, custom built-in shelving and cabinetry in the living room, laundry room shelving, golf-ball protective screened windows on the end side, exterior flood lighting facing the course, and an added outdoor faucet near the back porch. Safety and efficiency features include a full sprinkler system, fire and carbon monoxide detectors throughout, and a CPI alarm system. Future community amenities include a pool and clubhouse planned in the next phase. Premium golf course location originally included a \$40,000 lot upgrade. Experience easy one-level living with privacy, upgrades, and serene golf course views.
