DEEPWATER HOME!! Positioned among the coveted waterways of Edisto Island, 1692 Wharf Ferry Road is a rare deepwater offering that captures the essence of Lowcountry living. Set on an expansive, private homesite framed by mature coastal landscaping, this property offers deepwater access with the ability to construct a private dock, creating a true boater's sanctuary with effortless access to the N. Edisto River, the Intra Coastal Waterway, and the Atlantic Ocean. Designed for both relaxed coastal living and entertaining, the residence showcases light-filled interiors, cathedral ceilings, a flowing open floor plan and a seamless transition to outdoor living. Step outside to the rear deck, where a private hot tub offers a serene escape. Located just a scenic drive from historic Charleston. The home features three generously sized primary suites, each with its own en suite bathroom, providing exceptional, comfort, privacy, flexibility for owners and guest alike. At the heart of the home, the kitchen is supported by a huge island, two spacious walk-in pantries, one is complete with a built-in ice maker, an understated luxury that enhances both everyday convenience and upscale hosting. There is also a beautiful fireplace in the great room perfect for those cool Lowcountry evenings. The elevated and enclosed nature of the home allows for parking and storage
