This is where location, PRISTINE condition, and the perfect ONE story floor plan all come together in a home that looks just as beautiful in person as it does on camera! Originally the model home for the neighborhood, it is trimmed out with ALL of the bells and whistles! Entering the foyer will instantly give you that new home feel. The 9 foot ceilings and gorgeous Luxury Vinyl Plank floors lead you to the front guest room with vertical shiplap and a full bathroom outside. Next you will come to the STUNNING and spacious study with french doors and custom accent wall. The heart of the home centers around the gas FIREPLACE trimmed in shiplap and living room that seamlessly flows from dining into the enviable chef's kitchen. This open concept space has an abundance of windows and is flooded with NATURAL light. The kitchen is complete with soft close cabinets, high end quartz, stainless steel appliances, and pantry with custom shelf and custom electrical outlet. The primary bedroom is well positioned towards the back of the home and leads to the LARGE bathroom en suite with impressive dual vanity, shiplap, tile shower, and walk in closet. The triple glass sliding door in the primary suite has direct access to the SPACIOUS screen porch with custom blinds overlooking POND VIEWS...the perfect spot for calm mornings and winding down
