Marshfront Home with Panoramic Coastal Views! Experience Lowcountry living at its finest in this exceptional property showcasing uninterrupted views of Sullivan's Island, Isle of Palms, and the Intracoastal Waterway. Ideally positioned just 1.5 miles from the beach and Olde Village, this residence blends refined coastal elegance with thoughtful design and resort-style amenities. A gracious full front porch welcomes you into a soaring vaulted foyer. The main level features a private guest suite and an expansive great room anchored by a wood-burning fireplace, custom built-ins, and floor-to-ceiling marsh views. A dramatic full-glass folding wall opens to an 11' x 24' screened porch, complemented by adjoining open-air grilling terrace-perfect for seamless indoor-outdoor living. The owner's suite is a private retreat with dual bathrooms, dual closets, individual showers, and a newly added standalone soaking tub. A sunlit sitting room or office with double pocket doors extends to the rear porch, capturing serene marsh vistas. A spiral staircase leads from the second-story porch to a third-story sun deck, offering some of the most breathtaking views in the area. The back of the home is lined with windows, maximizing natural light and capturing the serene marsh landscape. Outside, the fenced yard features a self-cleaning saltwater pool with a gas-
