With its mature landscaping, backing to protected woods and being so centrally located, you'll be sad to miss this one! This was once the model home for the community, and it shows! Open concept living here with the kitchen, living room and dining all flowing together. The screen porch will be a great respite at the end of the day. All 3 bedrooms are off a hallway just past the laundry room. Short drive to Park Circle, Tanger Outlets, downtown and the beaches, this community has become a coveted central area for most of Charleston. Come see why!
