Welcome to your private retreat--where the dream of peace and tranquility is a reality. This home sits on a little over 5 private acres with no HOA. Located approximately 30 minutes from Summerville, it captures the essence of refined country living in this 3-bedroom 2-bath home. As you step inside the foyer this home designed with comfort and entertainment greets you with an open concept featuring a spacious den and kitchen combination, and a dining room overlooking both. The primary ensuite offers ample space for your comfort and a large walk-in closet. The primary bathroom has a garden tub and stand up shower. Plenty of space for you and your family. The two additional bedrooms offer a great space for guests or your growing family. The upstairs has an unfinished space that is a blank slate for many opportunities: office, additional bedrooms, a game room, or an apartment with the option of putting an additional bathroom. The three-car garage, also equipped with electricity, offers plenty of storage space for cars, tractors, ATVs, and more. The wonderful option is that it can also serve as a shop, perfect for hobbies or everyday work. Either way it's an amazing opportunity to make it your own.
