MLS# 26010875

**\$1,385,000**

**2 Bedrooms | 2 Bathrooms | 1,413 Sqft**

Distinctive Charleston - style home offering a rare and versatile dual living layout! Each level features it's own private entrance and mirrors the other with a full bedroom, bathroom, spacious living area, well-appointed kitchen, laundry, and inviting porch. Perfect for multi-generational rental income - live comfortable in one unit while renting out the other. Thoughtfully designed for flexibility and privacy this unique property offers endless possibilities in a classic Charleston setting. Hardwood floors throughout the home. Abundant natural light pours in through multiple windows. Located just minutes from MUSC, shopping, dining, and all of the charm and culture Charleston is known for. The home was rebuilt from the foundation up in 2023.
