**\$649,000**

**5 Bedrooms | 3 Bathrooms | 2,734 Sqft**

Welcome to this stunning five-bedroom, three-bathroom brick home in the desirable Hickory Hill Plantation! The inviting family room features a cozy fireplace, perfect for gatherings. The modern kitchen boasts beautiful quartz countertops, complemented by rich hardwood floors throughout most of the house. Enjoy the versatility of the FROG, complete with a full bathroom--ideal for guests or a private office. The fifth bedroom can serve as a potential mother-in-law suite, while the sunroom provides a bright and serene space to relax. Additional highlights include a spacious two-car garage and a dependable whole house generator. With so many exceptional features, this home is a true gem!
