5 Bedrooms | 2.5 Bathrooms | 3,250 Sqft

The popular "Coosaw" plan offers five bedrooms plus a dedicated office, thoughtfully enhanced with extensive custom upgrades throughout. The homeowner has elevated the interior with all-new crown molding, baseboards, and window casings, along with custom shelving, shiplap accents, and a reclaimed wood mantle creating a striking focal point at the fireplace wall. Additional design details include shiplap on the kitchen island and stairwells, and board and batten in the foyer, dining room, and third-floor bedroom. Function meets style with a renovated drop zone at the rear entry, offering added storage, as well as an updated powder room. All lighting and ceiling fans have been upgraded for a cohesive, modern feel. Enjoy classic Lowcountry living with double front porches featuring access from both levels, plus two porches--one off the primary bedroom and another off the family room. The kitchen is both functional and refined, featuring 42 cabinetry with added crown molding and updated hardware, granite countertops, double wall ovens, a gas cooktop, and a beverage cooler in the butler's pantry. Granite countertops, double built-in wall ovens, gas cooktop, beverage cooler in butler's pantry, structured wiring, upgraded HVAC and insulation, 8 foot solid doors on first floor, tankless gas water heater, gas line to grill, gas line to
