Beautiful Custom home on the Edisto River! Extra Large pier head with large floating Dock on Deep Water. The custom kitchen has stainless steel appliances, extra large sink, granite counters, beautiful wooden floors, cabinets and ceiling. The master suite has a jetted tub, separate walk-in shower and custom walk-in closet. There are 3 bedrooms with an upstairs office/ library that has a full bath and could be a 4th bedroom. The kitchen, dining area, and great room are open and sunny with gorgeous views. The Impressive Great room features a soaring vaulted ceiling with large wooden beams. The woodburning stone fire place is extra large and one of the focal points of the room. The great room opens out to the screened porch with a freight elevator that is one of the many upgrades! Beside the kitchen is one of two elevators that leads down to the laundry room. Plus there's a heated and cooled workshop, a large 3 car garage/storage area. Other upgrades include an on-demand water heater and a whole-house generator. High speed Fiber Optic internet is available with PRTC. The porch overlooks the wooded backyard and raised walkway that leads you to the dock on the Edisto River, which is part of the famous ACE Basin--
