Rarely do properties like this hit the market in Summerville -- offering an acre of land, a 4-CAR GARAGE, and the freedom of NO HOA. Whether you need room for boats, trucks, hobbies, entertaining, or simply space to breathe, this property delivers the lifestyle buyers are searching for. Thoughtfully remodeled this home blends modern luxury with the serenity of a private, park-like setting. Inside, you'll find a designer-inspired kitchen with granite countertops, fully updated bathrooms, and new LVP flooring that creates a seamless, elevated feel throughout. The home offers 3 bedrooms and 2 bathrooms, along with a spacious finished room over the garage providing the perfect opportunity for a future guest suite, studio, or private retreat. A tankless water heater adds efficiency and comfort to the home's upgraded systems. Home has natural gas for tankless water heater, heat pump and gas logs for fireplace. Car collectors, hobbyists, and those seeking exceptional storage will appreciate the oversized attached 2-car garage paired with an oversized detached 2-car garage featuring a window unit, ideal for a workshop or climate-controlled workspace. Outdoors, the property continues to impress with a large covered patio, perfect for year-round entertaining, morning coffee, or quiet evenings overlooking the expansive, tree-lined yard. Surrounded
