3 Bedrooms | 2 Bathrooms | 1,976 Sqft

Discover this beautifully maintained home in the desirable Cedar Springs community of Johns Island. This three bedroom, two bathroom residence includes a professionally finished room over the garage currently utilized as a fourth bedroom. Since the owner purchased, the home has undergone significant upgrades, including smooth scraped ceilings, new oak hardwood flooring throughout, and a modern kitchen transformation featuring stunning quartz countertops. Both bathrooms have been elegantly updated, with the primary bath receiving a complete remodel. The living space is anchored by a redesigned fireplace featuring new pilasters and a slate hearth, while custom blinds and new fixtures complete the interior. The expansive backyard is highlighted by a newly built deck perfect for grilling and entertaining. All kitchen appliances convey with the sale along with the washer, dryer, and garage refrigerator. Situated in a desirable X flood zone (no lender flood insurance required), the home offers peace of mind with a current flood policy, an active termite bond, and recent maintenance including a March 2026 HVAC service and a septic inspection. Detailed service receipts and property documents are available in the MLS for review. You will truly appreciate the attention to detail throughout this property. Schedule your private showing
