\$643,800

3 Bedrooms | 2 Bathrooms | 2,140 Sqft

Beautifully appointed new construction one-story plan with a distinctly coastal feel, blending timeless finishes with a light, breezy aesthetic. The exterior showcases classic board-and-batten detailing, soft neutral tones, a welcoming front porch, and a 2-car attached garage that complements the home's relaxed yet refined design. Inside, wide-plank RevWood flooring flows throughout the main living areas, paired with 5-panel interior doors and a soft, airy color palette that enhances the home's coastal character. The thoughtfully designed single-level layout offers an open-concept living space centered around a well-appointed kitchen--ideal for both everyday living and effortless entertaining. The kitchen features light-toned cabinetry, a contrasting island, quartz countertops, a classic tile backsplash, and curated lighting selections that elevate the space. The primary suite offers a serene retreat with a spa-inspired bath, complete with quartz countertops, beautifully tiled floors and shower, and refined finishes. The laundry room is conveniently connected to the owner's closet, adding ease to daily routines. Additional bedrooms, a dedicated study, and secondary baths are all thoughtfully positioned on one level, providing comfort and functionality throughout. Located in the heart of Nexton, residents enjoy miles of walking and biking trails,
