MLS# 26012181

**\$489,000**

**3 Bedrooms | 2 Bathrooms | 1,609 Sqft**

Updated and move-in ready, this home offers a bright, open layout designed for modern living - set on over an acre for added space & privacy. The main living area flows seamlessly between the living, dining, and kitchen spaces, creating an easy, connected feel. The renovated kitchen features quartz countertops, a peninsula with seating, & new appliances, while the dining area opens to the back porch creating an easy indoor-outdoor connection. The primary suite is privately positioned with a spacious layout, natural light, & an updated en suite bath. Two generously sized guest bedrooms share an updated full bath with both en suite and hall access, offering flexibility for guests or everyday living. A well-balanced blend of updates, comfort, and functionality, ready to welcome its new owner.
