5 Bedrooms | 3.5 Bathrooms | 3,039 Sqft

Located in the highly sought-after Saint Johns Lake subdivision, 7089 Pumpkinseed Dr. offers a compelling blend of modern design, natural privacy, and an authentic sense of community--well-suited for career-focused professionals, active retirees, and those seeking flexible, multigenerational living. Built in 2022, this 5BR/3.5BA residence has approximately 3,039 sq.' and is set on a premium homesite bordered on two sides by a 190-acre HOA owned woodland preserve, creating a peaceful, scenic backdrop that feels both private and restorative. A gracious foyer welcomes you into a thoughtfully designed layout, anchored by a formal dining room and a private study--ideal for a home office or quiet retreat. The hallway leads past a powder room, then opens into a light-filled open-concept living space. The gourmet kitchen features quartz countertops, abundant cabinetry, and an oversized island that naturally becomes the center of daily life and entertaining. Just beyond, a dramatic two-story, window-lined family room fills the space with natural light, offering an elevated yet comfortable atmosphere. The main-level primary suite is positioned for privacy and convenience, featuring a spa-inspired bath, oversized walk-in closet, and easy access to the laundry room--supporting both busy schedules and long-term comfort. Upstairs, four additional
