Beautifully upgraded 3-bedroom, 2-bath home on a premium wooded homesite in Del Webb at Nexton, ideally situated on a quiet street away from the community's main thoroughfares. Unlike new construction, this move-in ready home already includes thousands in completed upgrades and custom enhancements that save both time and expense. Designed for exceptional indoor-outdoor living, the home features a stunning four-seasons room with epoxy flooring and its own mini-split system, a fenced backyard backing to mature woods, a built-in gas fire pit, paver patio, plantation shutters throughout, custom pantry, custom primary closet, upgraded insulation, epoxy garage flooring, and a whole-home Generac generator for peace of mind during any season. The kitchen comes complete with like-new refrigerator, dishwasher, washer, and dryer, allowing for a truly turnkey transition. Grab bars have also been thoughtfully installed for added convenience and accessibility. Enjoy the privacy of a wooded backdrop, the comfort of extensive upgrades already completed, and the low-maintenance lifestyle Del Webb is known for. As an added bonus, the seller is willing to offer a \$2,000 paint credit with an acceptable offer, giving buyers the opportunity to personalize the home to their own style.
