MLS# 26013440

**\$269,000**

**3 Bedrooms | 2 Bathrooms | 1,568 Sqft**

Beautiful 8.76 acre property spanning both Sandridge and Wire Roads in Dorchester, offering privacy, mature landscaping, and endless potential. The property includes a Fixer Upper-1980 double-wide home with 3 bedrooms, 2 bathrooms, front and back porches and a newer HVAC. Outside, you'll find a large workshop and a tall large carport providing excellent space for storage, equipment, hobbies, or recreational vehicles. Towering live oaks create a picturesque Lowcountry setting for this unique opportunity. Whether you're looking for a fixer-upper, investment opportunity, or the perfect future homesite, this property offers plenty of possibilities with ample acreage. Experience Lowcountry living with convenient access to shopping, dining, and employment centers of Summerville & Charleston.
