Looking for a large family home? You've found it. This stunning 6-bedroom, 4-bathroom home offers the space and thoughtful design that growing families dream about. A main-floor bedroom with a tub/shower combo and walk-in closet provides the perfect setup for guests or a mother-in-law suite, while five additional bedrooms and three full bathrooms on the second floor ensure everyone has room to spread out. The main floor strikes a wonderful balance - open and airy, yet warm and inviting - with dedicated formal dining and living room spaces ideal for both everyday living and entertaining. Privacy is assured through the entire home with blinds in every window. The kitchen boasts two pantries, granite countertops, backsplash and an eat-in area. The sophisticated refrigerator allows you to look in the fridge without even opening the door, and it stays with the house! There's a vast laundry room with ample storage. (The washer and dryer also stay with the house.) Step outside and you'll see why this home is again the neighborhood's "Yard of the Month". Enjoy everything this 1/3-acre property has: a welcoming front porch, a screened porch off the kitchen, a fenced backyard with a gazebo and firepit, and a full irrigation system. And the property doesn't stop at the fence - additional land extends beyond, offering even more space and privacy. The
