3 Bedrooms | 3.5 Bathrooms | 2,785 Sqft

Welcome to 539 Cooper Village Lane - a beautifully appointed single-family luxury residence in the highly desirable Bridgeview community, less than one mile from the Ravenel Bridge with exceptional access to Downtown Charleston, Sullivan's Island, Shem Creek, Old Village, and I'On. Offering low-maintenance living, this impeccably maintained home features elevator access to every floor, a private rooftop deck with Ravenel Bridge views, a two-car garage, and rare short-term rental flexibility. Equally suited as a primary residence, luxury second home, or investment property, this home combines convenience, lifestyle, and versatility in one exceptional package while providing one of Mount Pleasant's few opportunities for both full-time living and income-producing potential. Built in 2020 by Stanley Martin, this immaculate 3BD/3.5BA home offers 2,785 sq ft of thoughtfully designed living space with refined finishes throughout. The flexible floor plan includes three en-suite bedrooms, including a private first-floor guest suite ideal for visitors, multigenerational living, or a dedicated home office. A fully finished two-car garage with custom SwissTrax flooring further enhances the home's effortless livability. The main living level was designed for both everyday comfort and entertaining, featuring 10-foot ceilings, abundant natural light, and an
