4 Bedrooms | 2 Bathrooms | 1,889 Sqft

This Gwinnett II is a one-story home featuring four bedrooms and two bathrooms. The kitchen is open to the great room and eat-in and features an island with breakfast bar, as well as a spacious pantry. The primary suite is located just off the great room and includes a vaulted ceiling, large walk-in closet, two linen closets in the bathroom, and a water closet. Two secondary bedrooms and a bathroom are located at the front of the house. Another secondary bedroom is located off the garage entry for added privacy, making it the perfect place for guests or an office. This home also includes a covered porch and extensive design upgrades!
