Live your best Park Circle life in this beautifully designed corner townhome at The Station at Park Circle, offering the rare combination of stylish living, exceptional convenience, truly low-maintenance ownership and desirable amenities. Unlike many properties, the HOA significantly reduces the burden and risk of exterior upkeep by maintaining major components including the roof, exterior walls and siding, gutters, shutters, exterior hardscaping, landscaping, and irrigation--creating peace of mind and easy living for owners seeking a lock-and-leave lifestyle. Additionally, the home includes a one year membership to the neighboring Park Circle Village amenities, which feature a resort-style saltwater pool, fitness and yoga studios, clubhouse, outdoor fire pits, and dog park. Inside, this thoughtfully designed three-bedroom home features two full baths and two half baths, with an open-concept layout filled with natural light. Soaring 9-foot ceilings, oversized windows, and superior finishes create a bright and airy feel throughout. The chef's kitchen serves as the centerpiece of the home, featuring a large island, quartz countertops, stainless steel appliances, and abundant prep and storage space ideal for entertaining or everyday living. The lower level flex space can be used as an office, a workout area, an art studio, a family room or additional sleeping space.
