This move-in ready ranch checks all the boxes with a spacious open floor plan, major system updates already completed, and a large fenced backyard perfect for entertaining, pets, or simply enjoying the outdoors. From the moment you walk in, you'll notice the fresh paint completed within the last few weeks and the matching LVP flooring installed throughout in 2023, giving the home a modern, seamless feel. The heart of the home is the bright, open living space that flows effortlessly into the kitchen featuring brand new appliances including a stove, microwave, and dishwasher, plus updated light fixtures that elevate the entire space. Buy with confidence knowing the expensive updates are already done for you -- roof replaced in 2021, HVAC replaced in May 2022, and a new water heater already installed. Well maintained and thoughtfully updated, this home offers the perfect combination of style, function, and peace of mind all on one convenient level. Schedule your today today!
