Welcome home to this meticulously maintained, turn-key oasis in the highly desirable Oak Bluff condo community. Perfectly designed for modern, low-maintenance living, this beautiful home features 2 spacious bedrooms and 2.5 bathrooms, complete with a bright interior that was freshly painted just three years ago. Exceptional peace of mind comes standard with major recent upgrades, including a brand-new HVAC system installed last year, as well as all-new, energy-efficient windows and doors replaced three years ago. The inviting living space seamlessly flows out to a private, screened-in back porch that opens to serene, unobstructed views of protected greenspace and a tranquil pond. Adding to its unique appeal, residents have the rare community option to fence in a small area directly behind the porch, perfect for outdoor relaxation. Tucked away in a remarkably quiet neighborhood, the location offers ultimate convenience with swift access to I-26 for easy commuting, shopping, and dining. Best of all, the comprehensive HOA fully covers the property's termite bond, hazard insurances, water, trash pickup, and exterior landscaping, allowing you to enjoy a worry-free lifestyle from day one.
