Welcome to Stonoview, one of John's Island's most desired waterfront neighborhood! Step inside the foyer of this like new, open concept home and you will feel right at home! The flex space directly to your right holds many options: office, kids playroom, workout space, extra den and so much more! Continue down the hallway and you will find the gourmet kitchen with stainless steel appliances including gas range and double ovens, tile backsplash and Quartz countertops, the dining area and the bright and airy living room with gas fireplace. Upstairs, you will find a loft space that also has many possibilities, two large guest bedrooms, a hall bathroom, laundry room and the spacious master bedroom with en suite. The master bedroom has a large closet with custom shelving and a spa-like master bathroom with dual vanities, a grand stand up tiled shower and separate water closet. The screened in porch is just off the kitchen and leads out to the large, private, fenced-in backyard, creating a perfect transition between indoor and outdoor space ideal for entertaining. There is a separate living space above the two-car garage; this 462-square-foot space includes a 4th bedroom, a full bathroom and a closet. It could be used as an office, exercise area, mother-in-law suite, just use your imagination. The main home is approx. 2184 sqft, 3 bedrooms and 2.5 bathrooms
