WOW! This new construction home is amazing! The stunning exterior makes a dramatic statement with the natural wood doors, board and batten siding, and black windows, and the inside is filled with so many custom finishes. Open floorplan with a huge kitchen with large center island, soft close cabinet doors, tile backsplash, stainless appliances, quartz countertops, and large pantry. Lots of extra features like shiplap accent wall in living room area, oak wood accent wall in stairwell, 8 ft. front door, built-in seating and storage in mudroom area, and LVP flooring throughout. The master bedroom features a vaulted shiplap ceiling with exposed beams and a huge walk-in closet with custom shelving. The master bath has a modern look with double vanity, all tile, rain shower head, and shiplap accents. The other 2 bedrooms upstairs share a custom bath with a great modern look and shiplap accents. Upstairs also has a very large custom laundry room with cabinets, counter, and additional storage. There is a guest bedroom on the first floor that had a beautiful tile bath with a rain shower head. There is a covered patio area in back for your outdoor enjoyment overlooking the backyard. The back yard has a privacy fence and there is a fence in the front yard to add to the curb appeal of the house. Ferndale is a hot up and coming neighborhood close to Park Circle and the upper
