Experience ultimate single-level privacy in The Pointe at Rhodes Crossing. This immaculately maintained 2018 ranch features a highly desirable split floor plan, completely separating the front guest bedrooms from the secluded rear primary suite. The heart of the home is a bright, open concept space flooded with natural light, featuring an open kitchen with a large central island and a generous pantry. Storage is seamless with an attached 2-car garage, a dedicated utility mudroom, and two primary walk-in closets. The living space extends outside to a cozy backyard retreat complete with a screened porch, a stone patio, and a full privacy fence. Truly a move-in ready gem, this exceptional home is a must-see. Welcome Home!
