4 Bedrooms | 2.5 Bathrooms | 2,200 Sqft

Welcome to the one you've been waiting for in the highly desirable Mackey Farms, where thoughtful updates, exceptional outdoor living, and a prime corner lot come together to create a truly unforgettable home. From the moment you arrive, the professionally maintained landscaping and undeniable curb appeal set this property apart. Situated on a premium corner lot, this home commands attention with its welcoming presence and meticulous care. Step inside and immediately feel at home as beautiful LVP flooring guides you through the foyer, past the versatile flex space, and into the heart of the home. Fresh paint, abundant natural light, and a warm, inviting color palette create an atmosphere that is both stylish and comfortable. The kitchen is designed for gathering and everyday living alike, featuring timeless white cabinetry, stunning stone countertops, modern stainless steel appliances, and a coastal-inspired backsplash that adds the perfect touch of Lowcountry charm. Open to the spacious living room, this functional layout makes entertaining effortless while offering seamless views of the backyard oasis beyond. And what an oasis it is. The outdoor space is nothing short of spectacular. A newly installed pool creates the ultimate staycation experience, while the custom putting green offers endless opportunities for
